

THE ULTIMATE SHOWER EXPERIENCE

Thank you for choosing Hudson Reed, you've made the right decision! Our dedication to making your shower experience special means you can rely on your Hudson Reed shower for.....

Safety

Your safety is important to us – which is why all our thermostatic shower valves have been manufactured to the highest standards to safeguard against accidental scalding.

Peace of mind

Our shower valves are tested to stringent quality standards, so we are confident of their ability to last – enabling us to offer an industry-leading warranty.

Co-ordination

Our ability to offer complete co-ordination for the bathroom gives you the opportunity to tailor your chosen look with matching faucets and showers, as well as complementary accessories and designer radiators.

CHOOSING THE RIGHT SHOWER

Twin Concealed Valve

Separate controls for temperature and flow. Operates one shower accessory: overhead or hand shower
